geoliner® 660

# THE ALIGNMENT WORKHORSE

DESIGNED FOR THE INDEPENDENT  
WORKSHOP TO PROVIDE CORE ALIGNMENT  
FUNCTIONS QUICKLY AND EASILY.

By integrating cutting-edge wheel alignment technology with an intuitive software interface, the geoliner® 660 wheel aligner delivers premium technology at an affordable price. Auto repair businesses now have the ability to deliver revenue-boosting alignment services to their customers using the geoliner® 660, without the need for extensive technician training or complicated equipment, while ensuring a positive customer experience. Our Quick Compensation feature enhances the alignment workflow by streamlining the process to increase productivity through the elimination of unnecessary steps.

## MITCHELL 1®

Access the largest database in the market for alignment repair information in seconds from Mitchell 1®.

## AUTOMATIC HEIGHT TRACKING

Automatic height tracking follows the vehicle as it is raised and lowered on the lift, eliminating the need for manual readjustment of the camera and reducing time spent at the console.

## RIDE HEIGHT

Eliminate manual data entry, speed up measuring, and increase accuracy, using our specially-designed, optional Ride Height Targets.

# ROBUST AND RELIABLE, MAKING EVERY JOB FASTER AND EASIER

## QUICK COMPENSATION AND OPTIMIZED ALIGNMENT FLOW

Boost productivity by eliminating unnecessary steps. The alignment process is greatly enhanced by our quick measurement compensation and optimized alignment flow, which enables shops to grow their alignment business through increased productivity.

## XD CAMERA TECHNOLOGY

Cutting-edge high-definition video speed cameras continuously monitor the alignment process and instantly detect common environmental conditions or vehicle issues with the potential to cause misalignment.

## EASY

- Software designed in collaboration with technicians around the core of wheel alignment service
- Work with confidence using the Compensate, Warn & Alert system

## FAST

- Video speed camera system
- Intelligent workflows
- Automatic tracking camera beam

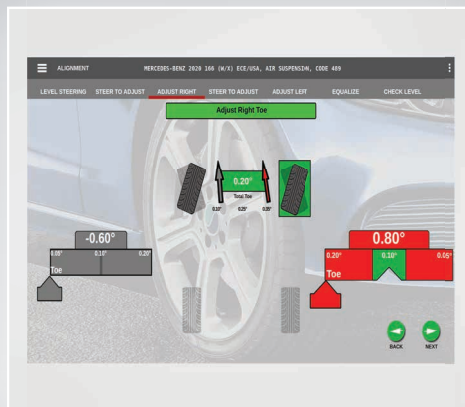

## FLEXIBLE

- Multiple beam configurations
- Cabinet position independent of camera beam
- Use mobility kit to combine cabinet & camera system into one mobile unit

### VODI™

Using simple, easy-to-follow red and green LED lights, our patented Vehicle Orientation Directional Indicator (VODI™) leads technicians through the measuring procedure while the monitor is not in view, decreasing the time spent moving back and forth between vehicle and aligner.

### EZ-TOE

Our sophisticated software makes it simple to measure toe angle swiftly and with a high degree of accuracy, enabling technicians to tilt the wheel, even without a steering wheel holder, to access difficult points of adjustment.

### CLOUD SERVICES

Save information to a secure cloud server and access reports remotely to send to customers via email or print from anywhere in the shop.

### NOTIFICATION SYSTEM

Our smart notification system maximizes efficiency and accuracy by automatically identifying and fixing issues like suspension stress or environmental errors, and only requires technician intervention when more information is needed to take different corrective action.

#### COMPENSATE:

Measurement ok and compensated with no notification

#### WARN:

Wheel imperfections are compensated and user is warned

#### ALERT:

Critical errors are detected and corrective actions are displayed

### CLAMPS

AC200 clamps (EAK0350J80A)

### MOBILITY KIT

Relocate the equipment freely around the shop (EAK0320J78D)

### ALIGNMENT STAND

Alignment stand with set bridges for rolling compensation with built-in turnplates and slip plates.

#### TECHNICAL SPECIFICATIONS

Part Number	EEWA712TH3
Track Width	48-96"   122-244cm
Rim Size - AC200	12-24"   30-61cm
Power Supply	110V 50/60Hz

#### OPTIONAL ACCESSORIES:

AC200 Wheel Clamp Mobile Floor Stand	EAK0363J89A
AC200 Quick Clamp Kit	EAK0268J63B
Vin Scanner	EAK0289J86B
Alignment Stand with Set Bridges	RB24

#### STANDARD ACCESSORIES

AC200 Clamps & Targets	Two Wheel Chocks
Steering Wheel Holder	Color Printer
Brake Pedal Depressor	

Wheels Off Hub Adapter	EAK0222J83B
2" Wheel Hub Extensions	EAK0289J62B
4" Clamp Extension Kit	EAK0268J62A
